

May Long Course Meet (1ER170349)

13/14 May 2017

Entry Processing

We have received considerably more entries than we can accommodate in the time available to us. Unfortunately this means that we have had to reject a number of entries. All entries have been processed in accordance with the meet conditions as follows,

1. Entries received after noon on Saturday 15 April have not been accepted.
2. The Qualifying Times for all events and age groups were made progressively faster and the running time for the competition checked until it was acceptable (a maximum of 7½ hours per day). The final qualifying times are all 2% faster than the times originally published, with the exception of the 1500m freestyle and 800m freestyle which were unchanged.
3. All originally valid entries were processed against the revised qualifying times, and the accepted/rejected entries produced. Para-swimmers have been accepted for all of their events.

Refunds for rejected entries will be made to the clubs concerned via electronic banking or cheque the meet, having first deducted any penalties for swimmers failing to swim who were not withdrawn before the cut-off time.
